Comment: Please note for future workers' compensation filings, all workers' compensation filings are prior approval and have a 30 day waiting period after receipt of the filing by the Department that allows time for review and correspondence, if needed. While that waiting period may be waived by the Commissioner, the Insurance Department strongly encourages companies to make sure they make filings in a timely manner. While I am able to waive the remaining part of the 30 day period on this filing, I will not be able to do that in the future.
